CASTORIA

for Infants and Children.

Physicians Prescribe Castoria.

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: 1st, The indisputable evidence that it is harmless; 2nd, That it not only allays stomach pains and quiets the nerves, but assimilates the food; 3rd, It is an agreeable and perfect substitute for castor oil. It is absolutely safe. It does not contain any opium, morphine, or other narcotic and does not stupefy. It is unlike Soothing Syrup, Balaam's Drops, Godfrey's Cordial, etc. This is a good deal for a medical journal to say. Our duty, however, is to expose danger and record the means of advancing health. The day for poisoning innocent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system—not by stupefying it—and our readers are entitled to the information.—*Half's Journal of Health.*

The signature of *Dr. H. Fletcher* guarantees genuine Castoria.
"Your Castoria stands first in its class. In my thirty years of practice I can say I never have found anything that so filled the place."
WILLIAM DELMONTE, M. D.,
Cleveland, Ohio.
"I have used your Castoria in the case of my own baby and find it pleasant to take, and have obtained excellent results from its use."
S. A. BUGHAWAN, M. D.,
Philadelphia, Pa.
"I take pleasure in recommending your Castoria, having recommended its use in many instances, and consider it the best laxative that could be used, especially for children."
NATHANIEL K. KING, M. D., St. Louis, Mo.
"I find your Castoria to be a standard family remedy. It is the best thing for infants and children I have ever known and I recommend it."
R. E. ELLISON, M. D.,
Omaha, Neb.
"Having during the past six years prescribed your Castoria for infantile stomach disorders, I most heartily commend its use. The formula contains nothing deleterious to the most delicate of children."
J. E. ELLISON, M. D., New York City.

Children Cry for Fletcher's Castoria.

In Use For Over 30 Years.

Cable News WILSON LEADS AT ROLL CALL

[Associated Press Cable]
BALTIMORE, Md., July 1. — Although Governor Woodrow Wilson is gaining steadily over his leading rival, Speaker Champ Clark, for the Democratic nomination for the Presidency, the convention recorded the forty-second roll call at midnight tonight without reaching even a prospect that a nomination under the two-thirds rule was in sight.
On the fortieth vote, the New Jerseyite scored his highest total, five hundred and one of the delegates casting their votes for him, but he fell back on the forty-second roll call, seven of the eight Michigan delegates who had switched to him going back to the Missourian. The voting was monotonously steady from 11 o'clock until 5 and from 8 until midnight, when an adjournment was taken until noon tomorrow, with Wilson gaining persistently from Clark, and the votes for the other candidates varying but slightly.

Cheers for Wilson.
There were cheers when, on the twenty-ninth roll call, Wilson passed Clark for the first time, that vote giving him 460 to Clark's 455. The preceding vote had given Clark 468, Wilson 436.

When the delegates, worn out and fagged, adjourned tonight, the convention stood: Wilson 494, Clark 430, Underwood 104, Harrison 27, Foss 28, Bryan 1, Kerns 1, Gaynor 1, James 1. Apologized to Bryan.
Some little variety was given the delegates by a speech of apology from ex-Governor Francis, addressed to William Jennings Bryan, in which the former Secretary of State deprecated the action of the Missouri delegation in hissing a banner bearing the Nebraska name. Governor Francis stated that this action would not have taken place had he been present with his delegation at the time.

TAX APPEAL DECISIONS ARE EXPECTED SOON

Decisions of the tax appeal courts on the cases submitted to them by the property owners of the Territory probably will be received in the next two or three days. The appeals finally fought out on the island of Oahu involved only comparatively small amounts as the difference between the returned and the assessed valuations. One of the largest was, and perhaps the most bitterly fought of all, was that of the Waiuku Plantation, the hearing of which ended Saturday. Assistant Attorney General A. G. Smith says that the assessed valuation of the property was \$4,250,000, the returned valuation \$3,250,000, and the owners accepted a raise of \$250,000 on the latter. This leaves a difference of \$750,000 on which the Territory and the owners could not agree.

INTER-CHURCH FEDERATION WAITS WORD FROM SMITH

A. E. Lorimer, acting secretary of the Y. M. C. A., is momentarily expecting word from Fred B. Smith, head of the religious work of the International Y. M. C. A., in regard to his round-the-world tour with Raymond Robbins, which is expected to include Honolulu.

According to Lorimer, nothing further in regard to the local inter-church federation movement will be done here until some definite word is received from Smith.
Robbins and Smith are at present in Seattle, where a cable was sent last week by the local federation asking them if they had definitely decided to include Honolulu in their tour of the world.
Answer to this cable was expected on the Ventura, but no letter was received.

SOLDIERS SHUT UP NOTORIOUS JOINTS.

PORTLAND, Ore., July 1. — Governor West took drastic action tonight to shut up a number of notorious road-houses near this city, which the police had stated they were unable to suppress. The Governor announced that they must be suppressed, if it took the entire force at the disposal of the State to accomplish that end. He therefore ordered out several companies of the State National Guard and stationed the militiamen along the roads before the joints, with orders to keep them shut and to prevent automobile parties from frequenting them. The road-houses were dark throughout the evening.

WITNESSES SAW THE FEDERAL JUDGE DRINK.

SEATTLE, Wash., July 1. — Witnesses called in the impeachment proceedings brought against Federal Judge C. H. Hanford today testified that the official under trial had been frequently seen in public in an intoxicated condition. The proceedings against Judge Hanford originated in his cancellation of the naturalization papers of a number of Socialists, although a question of the personal fitness of the official has also been brought into the case.

REVOLUTION IN CUBA ALL OVER.

GUANTANAMO, Cuba, July 1. — The negro revolution is practically at an end and quiet has been restored throughout the entire Province of Oriente. The American marines, who had been rushed to the mines to prevent the destruction of American property, have all been recalled to their ship, which hoisted anchors tonight and steamed away.

R. M. CROSS BE- GINS Y. M. C. A. WORK

The Y. M. C. A. nearly lost its new Assistant Boys' Secretary when Rowland M. Cross, formerly of Mills College, started on an exploration trip with the six instructors, five of whom are still missing.

Cross, in company with Miss Larabee, returned home by daylight Saturday while the others remained behind. Cross, who has been connected with Mills College for the past two years, started upon his new duties today in the capacity of assistant in the boys' department. He is a native of Minnesota and graduated from Carleton College in 1910.

Simultaneously with the coming of Cross was the announcement that the Craftsman Club would hold its first meeting this morning at ten o'clock under the direction of A. M. McClure.

The club is a continuation of the manual training class that has been a part of the Association winter work and has been equipped with a new workshop in the basement of the Association building, where the boys will be taught to manufacture everything from clothes-pins to aeroplanes, as the Boys' Secretary puts it.

There are ten benches, equipped for ten boys, but it is planned that if more than ten boys join the class, it will meet in two or more shifts to avoid needless crowding. An invitation has been extended to all boys to join the club, and it has been announced that if there are any working boys who would like to take up the work, a night class will be formed.

The regular meetings of the club will be held with McClure on Tuesday and Friday mornings at ten o'clock throughout the summer. Kow She, Kamanuwal lane, Hahaione.

BENNINGTON NEARS PORT

The Bennington, now a tanker, and flying the house flag of the Matson Navigation Company is nearing port, in tow of the steamer Lurline. The Lurline with her heavy cargo, many passengers and a later mail, may be delayed some hours in her arrival at Honolulu because of the Bennington.

A wireless received at the agency of Castle & Cooke yesterday is to the effect that the Lurline will arrive off the port on or about five o'clock Wednesday afternoon. Captain Weedon advises that the liner is bringing 40 cabin and 9 steerage passengers, 241 sacks of later mainland mail and 59 packages express matter.

The cargo is a large and varied one including 4 automobiles. The freight for this port amounts to 2710 tons. The Lurline is expected to be dispatched for Kahului on Friday evening where 706 tons freight will be discharged. The Lurline is to return to Honolulu on Sunday morning and has been placed on the berth for dispatch for San Francisco at 6 o'clock Tuesday evening June 9th. The Lurline will dock at the Hackfield wharf.

The Bennington, once an American gunboat has been in the hands of the shipwrights for some months past, during which time the machinery, and armament were removed. The vessel has been fitted with spacious storage tanks with space for two thousand tons of molasses. It is the purpose to tow the bulk to Pearl Harbor, where molasses from neighboring sugar plantations will be summed up on the tanker. The bulk will then be brought back to Honolulu and the molasses discharged into awaiting steamers. The Hydrex and the Lurline are at present, the only vessels in the Matson fleet with carrying capacity for the transportation of bulk molasses.

The presence of a tanker, the size of the Bennington at this port is predicted will save much time in the handling of bulk molasses.

TODAY'S HANDBALL TO DECIDE SECOND PLACE

Second place will be decided in the Y. M. C. A. handball tournament by the result of the game between Dwight and Lewis to be played off at the Association court this afternoon at 5 o'clock.

Lewis is not a factor in the tournament, but if he should defeat Dwight this afternoon, Dwight will be tied for second place with Marcellino and will have to play off the tie, but if Dwight defeats Lewis, he will have undisputed possession of second place. At present Dwight's record is six won and one lost, while Marcellino's is six won and two lost. If Dwight wins today, his score will be six and two, but if he wins, his score will be seven and one. Alexrod won first place and the silver medal Saturday by defeating each of his eight opponents.

SCHOOL FURNITURE BIDS.

There were eight bidders for the Oahu loan fund commission contracts to supply furniture for the school rooms and teachers' offices of the Liliuokalani and the Puukukui schools. The figures are too complicated, owing to different types of furniture offered, to be intelligible to the ordinary reader. At a future meeting, not yet appointed, the commission will receive the bids, now in the hands of Mr. Johnstone, the commission's engineer, and award the contracts.
The bidders are the Waterhouse Company, the Honolulu Wire & Company, Thomas G. Thrum, the office Supply Company, A. B. Arleigh & Co., J. Hopp & Co., and the Hawaiian News Company.

A GOOD COLOR

The Badge of Health in Cheeks and Lips.

The fact that one woman is bright-eyed, rosy-cheeked, strong and cheerful, while another is pale, weak and depressed is due more often than otherwise to the condition of the blood. The way to remedy this condition is to build up the blood and for this purpose there is no better tonic than Dr. Williams' Pink Pills. They are for both men and women but they benefit the latter in a special way.

If your daughter is languid, has a pale, sallow complexion, is short of breath, especially on going upstairs, has palpitation of the heart, a tendency to faint and a poor appetite, she suffers from lack of blood. Mistakes or delay in the treatment may result in such serious impairment of her health that she will be weak and sickly during the rest of her life. The tonic must be safe and harmless as well as effective. Dr. Williams' Pink Pills for Pale People possess the qualities. They are recommended by one who has used them as follows:

Miss Jessie Johns, of Gladstone, Ore., was cured by Dr. Williams' Pink Pills after suffering a year and a half. She says:

"Several years ago while living in Wisconsin, I was greatly run down in health. I did not seem able to get back my strength but was weak all over. I was thin, pale and nervous. I wasn't able to do much of anything and had to give up teaching school."

"I was treated by three or four doctors and they said they were afraid I was going into consumption. They did not help me and I finally gave up their treatment to try Dr. Williams' Pink Pills. The pills helped me from the start and I kept on with them until I felt entirely well. I regained my strength and my health has been quite good since then."

Dr. Williams' Pink Pills are guaranteed by the manufacturers to contain no opium, narcotic or anything that could injure the most delicate system. A booklet, "Building Up the Blood," showing what these pills have accomplished in anemia, rheumatism, general debility and after-effects of fevers will be sent free on request.

All druggists sell Dr. Williams' Pink Pills, or they will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.
